

Celfrost[®]

Reliable cooling solutions...

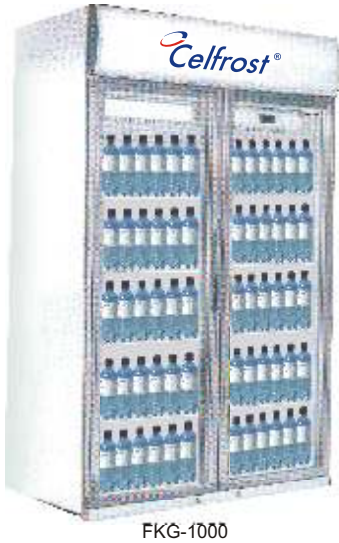

...that ensure a healthy life

Over 1,50,000
satisfactory installations
in India

Life saving vaccinations must be stored under exacting conditions to ensure maximum efficacy. Celfrost brings to India, reliable medical refrigeration products suitable for laboratories, hospitals, research institutions and for pharmaceutical, bio- medical & life sciences applications.

Medicine Coolers

FKG-1000

FKS 471

FKG 371

FKG-320

Optional digital temperature controller & display

FKG-110

Features

- External temperature controller • Optional digital controller with display • Multi-positional shelving system
- Unique Top to Bottom view with minimal wastage of storage space

Medicine Upright Freezers

“Our products demonstrate our commitment to energy efficiency, safety, ergonomomy and environmental best practices”.

BFS 150

BFS 345S

Optional digital temperature controller & display

Features

- Temperature controller • Optional digital controller with display
- 8 shelf + drawers in BFS 345S • 5 pull-out drawers in BFS-150

Low Temp Freezers

An integrated lock prevents unauthorised access to the contents of the low- temperature freezer.

Low Temp Freezer – VT 407

The freezers are fitted with wheels and can therefore easily be repositioned as required.

Features

- Environmentally friendly nature R refrigerant • Super controller : XR30CX (230 V - 20 amp) • Built-in internal and external alarm
- Battery backup (optional) • EC and UL approved

Control Panel

- Pre-programmed from factory
- Possible to lock functions on control board
- Control panel can be programmed in Fahrenheit and Celsius

Pharmacy Refrigerators & Freezers

Digital temperature controller & display

GN 650TNM (New) / GN 650BTM (New)

GN 1410TNM (New) / GN 1410BTM (New)

Removable door gasket for easy cleaning

Lockable swivel castors

Energy-efficient, self-closing doors

Features

- Digital temperature controller with display • No frost • Door lock for safety • Energy efficient, self-closing doors
- Lockable, swivel castors (optional) • Precise temperature • Easy to clean, 304-grade, stainless steel interior and exterior • Freely adjustable plastic-coated shelves • Removable door gasket for ease in cleaning

Flake Ice Machines

Coldrooms

Flakes

Flake Ice Machines

- Models from 83kgs. to 1039kgs./24hrs. rated capacity
- Stainless steel body
- Easy accessibility to ice
- Automatic control device
- Patented cleaning technology
- Split collar evaporator support with shaft coupling ensures longer water seal and bearing life
- Low maintenance

Coldrooms

Team Celfrost has vast experience in the design and construction of Coldrooms to suit the specific requirements of hospitals, pharmaceutical and research facilities. It offers an extensive range of Coldroom solutions in a choice of temperatures that will help you preserve what matters most to you.

Do ask for our separate catalogues for Ice Machines and Celfrost Walk-in Coldrooms.
